EXPERIENCE

Salen Academy — Remote | 2024 – Present

Co-Founder | COO | Mobile Developer

- Developed a mobile app for an AI platform that generates step-by-step video solutions to SAT Math and English problems, helping tutoring centers lower costs and increase efficiency.
- Lead a 16-member team: delegating tasks, tracking progress, and ensuring consistent delivery against project deadlines.
- Raised approximately $5,000 in government investment.

World Diplomacy MUN — Uzbekistan | 2024 – Present

Founder | Secretary General | Delegate Relations Manager

- Founded the second-largest Model UN organization in Central Asia.
- Organized 4 international Model UN conferences with 850+ total participants, managing international partnerships and cross-country delegations.
- Most recently hosted GulPS x Elevate MUN (April 2026), bringing together 150+ participants from across Uzbekistan.
- Personal awards as a delegate: 3x Best Delegate, 1x Best Speaker, and 1x Honorable Mention.

IT Community Uzbekistan — Uzbekistan | 2025

Coordinator

- Led a nationwide team of ambassadors promoting IT initiatives, events, and educational programs, increasing community engagement and participation.
- Organized ambassador activities, training sessions, and communication strategies; managed ambassador task allocation for Ambassador Day 2025.

Hogwarts Summer School — Uzbekistan | 2024

Intern — Social Engagement Team

- Published and managed creative content for the school's weekly magazine and social media platforms, growing the online audience by 200 followers.
- Coordinated a summer camp event, overseeing activity planning, participant engagement, and social media coverage.

HONORS & AWARDS

National AI Hackathon — Winner, Medicine Track — Uzbekistan | June 2026

Team Leader

- Led the winning team behind KoʻzNur, an AI system for early detection of diabetic retinopathy from retinal images.
- Directed the project end to end — from problem selection and model approach to the final pitch; each team member was awarded a MacBook (M5).

“Mirzo Ulugʻbek Vorislari” Startup Competition — Finalist — Uzbekistan | May 2026

- Advanced through multiple competitive stages, earning $500 in total prizes.
